# Welcome To Birch Place!

**Birch Place Assisted Living Apartments** offers an exciting combination of security, professional health care services, and 24-hour personal assistance with a full complement of

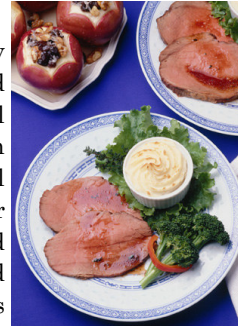

household services for individuals who are unable or who choose not to continue to live independently. One monthly fee covers the apartment rental and a comprehensive service package.

## 24-Hour Personal Assistance

The help you may need with day-to-day activities is always available at Birch Place. Help with tasks such as getting in and out of the bathtub or shower safely, getting dressed, and taking prescription or over-the-counter medications correctly are no longer problems with the assistance of our 24-hour staff.

## Nutritious Meals

Hot, delicious, nutritionally balanced meals are served in Birch Place's beautiful dining room or in each resident's apartment. All meals are prepared under the direction of a licensed dietitian and are prepared with individual preferences in mind.

*Three full meals daily are included.*

## Household Services

Weekly housekeeping is included with each apartment rental. Dusting, vacuuming, trash removal and general cleaning are performed by our trained staff. Linen service is provided twice weekly at no additional charge and includes the changing and laundering of bed and bath linens.

With the exception of telephone service, all utilities are included in the monthly rental fee, including cable TV. Phone service is available through AT&T.

*Enjoy visiting with friends and family in Birch Place's spacious lobby. Your visitors are always welcome!*

## Stimulating Social Activities

Opportunities for social interaction are readily available at Birch Place. Whether your preference is enjoying your favorite leisure time activities by yourself or in a group setting, there is always an abundance of satisfying choices. You can try a new recipe in Cooking Class, take a Lakeside Stroll through the lovely gazebo garden, learn to paint in Arts & Crafts Class, join the Bible Trivia Team or enjoy live entertainment by community groups.

*The park-like setting of the lake and garden gazebo invites summer activity.*

Convenient access to other services is another plus at Birch Place. An on-premises hair salon, chapel, gift shop and mini-laundromat are just down the hall. Pharmacy services, physical rehabilitation services and Massage Therapy are also provided on-site.
